

# SUSAN SANDS

## PEMBROKESHIRE PRINTMAKER

To celebrate the visual aspects of Pembrokeshire Fish Week we are delighted to exhibit original prints by printmaker **Susan Sands**. After gaining her BA in Fine Arts at Reading University she gained experience as a fine book illustrator, and was founder member of the Greenwich Printmakers.

Her prolific output of original prints stems from her widespread travel experiences and her extensive knowledge of printmaking techniques, some of which are illustrated in this exhibition - from lino and woodcuts to mono-prints, lithographs and etchings. All are limited edition prints, available framed (in the Riverside Cafe Gallery) or unframed (in the browser situated in our foyer).
